Thank You

Dear Jerry,

Thank you for submitting your resume. We will review your qualifications and will contact you if there is a match with any of our current or future open positions.

Your **password** is **superpassword**

Please record your password for your records. Using this password along with your email address, you can log in to the "Previous Applicants" section of our careers site anytime to check the status of your application, update your contact information and resume, and apply to new openings.

Best Regards,
The Facebook Recruiting Team
